Invitation for Webinar on Daman's Thermometer dated 04-12-2021

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 04-December-2021, the Saturday, at 06:00 p.m.

There is a lot of negativity around us during this extended COVID-19 Pandemic Period. Communication is important during BAU (Business As Usual). Its importance increases many folds during crises. And now when we are anxious, stressed, busy taking care of loved ones, or care of ourselves, information overload is a big challenge. Everyone is busy in sending a lot to everyone else. Daman will present his new creation ?Daman?s Thermometer? that comes handy in such situations? to sieve facts from rumours. The best feature of this thermometer is that it works in all conditions - snow, rain, -50 to +50 degrees, on Earth and in the Space, even after COVID-19 Pandemic. This is also a great tool to raise awareness and embed BCM in the organisation. The webinar will have live demo with live cases.
