## Invitation for Webinar on Neurotechnology - enabling human augmentation dated 09-03-2024

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 09-March-2024, the Saturday, at 06:00 p.m.

Neurotechnology refers to a field of technology that involves the application of principles and techniques from neuroscience to develop technologies that interact with or manipulate the nervous system. It encompasses a wide range of devices, tools, and techniques that interface with the brain or nervous system for various purposes, including medical, research, and consumer applications. Neurotechnology is enabling efforts towards human and brain augmentation. The webinar will discuss its all-round perspective including the real-time issues and challenges.
