Presents

Present Around the World (PATW) Competition - 2014

★ Want to win cash prize? Can you present? ★

Enter an IET presentation competition for the chance to win cash and travel around the world!

If you are a student, apprentice, or a young professional aged between 18-26 years, this is your chance to compete for various cash prizes in local, national (area), regional and international level, including the international final prize of ₹ 1,00,000*

About the Competition :

- **Students / Young Professionals to give a 10 minute presentation on an engineering or technology related subject followed by 5 minutes question and answer session.**
- **The emphasis is on presentation skills rather than technical content, enabling competitors to participate on an equal footing.**
- **No Entry fee for the Competition.**
- **Entry is open to all (member or non-member).**
- **Travel / Boarding expenses to be borne by the participant.**
- **It is an individual event (Teams cannot participate).**
- **Entry to be routed through Departmental Head / Principal of the College / Office Head.**
