NOTICE for Sem-IV Workshop

All the students of MCA – IV Semester (batch 2013 – 2016) are hereby informed that a Workshop bearing the following details will be conducted by Dr. D.S.Broca (XLRI Jamshedpur) : -

Title: "Business Process Simulation"

Timeline: January 16, 10:00 am onwards.

Broad Classification of Areas to be covered:
1. To introduce participants to analysis, design and control of business processes through simulation modeling.
2. Through WEBGPSS, a discrete event simulation language, participants would attempt actual modeling of the business process simulations.

The workshop will ensure Active Participation of all students, and a **Case lets in business process simulation will be provided to each individual student before the start of workshop.**

It is further informed that the participation in the workshop is compulsory for all the notified students.
