Abstract of the Talk

Govt. of India has produced National IPR Policy under 'Creative India: Innovative India' initiative. The name itself helps to understand the importance and purpose of the policy and securing IPs. An all-encompassing IPR Policy will promote a holistic and conducive ecosystem to catalyze the full potential of intellectual property for India's economic growth and socio-cultural development, while protecting public interest. The webinar is aimed to increase awareness, as the issue is important for all age groups. The webinar will be in conversation mode having live discussion on few important state of the art use cases.

All are welcome:

Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**
