CSI Delhi Chapter

Computer Society Chapter IEEE Delhi Section

IITP New Delhi

IETE New Delhi

IEEE Delhi Section

Invite you for a Free **Webinar** on **09-04-2022, the Saturday**, at **06:00 p.m.** as per the details given hereunder:-

**Speaker**

**Dr. Anup Girdhar**

CEO, Sedulity Solutions and Technologies, New Delhi

**Date and Time Schedule**

**09-April-2022, the Saturday, from 06:00 p.m. to 07:30 p.m.**

**Title of the Talk**

**Cyber Warfare, Cyber Security and Cyber Citizenship**

**Venue and Contact Details**

**CISCO WebEx Meeting Platform**

CISCO WebEx Event ID and Password shall be sent on E-Mail to the registered participants, at-least one day in advance. Please check your Spam and other folders also for our emails and mark it as SAFE / NOT SPAM.

**Programme Schedule**

**05:30 p.m. to 06:00 p.m. – Login, online Networking and Tea (at Home)**

**06:00 p.m. to 07:00 p.m. – Technical Talk**

**07:00 p.m. to 07:30 p.m. – Q & A Session followed by Certification**

**Registration Link and Fee**

**Registration Link: <http://bvicam.ac.in/webinars/>**

**No registration fee. It is absolutely free for the members of IEEE, CSI, IETE, ISTE, ISCA, IITP and Bharati Vidyapeeth, with pre-registration**

**Abstract of the Talk**

Today, we live in a digital age and are fascinated to use IoT devices, Fast Internet speed, Social Networking Sites, e-Governance, etc. However, cybercrime is at peak. Cyber Warfare could turn every gadget you own into a weapon on a virtual battlefield and the damage will be felt in the real world. The common risks faced by the society are Privacy Breach, Impersonation, Cyber Warfare, Cyber Security issues, and other contingencies. The most effective protection against cyber warfare and other attacks is being Cyber Aware by knowing how to secure information and networks. Due to the ignorance and lack of knowledge, the veracity of this domain is that we are unaware of the latest cyber threats, vulnerabilities, and attacks. The webinar will discuss issues in protecting computers, servers, mobile devices, electronic systems, networks and data from malicious attacks, and how to become a good cyber citizen. The webinar will also discuss the real-time issues, case studies and mitigation policies.

**All are welcome:**

Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**

**(Prof. M. N. Hoda)**

Director, BVICAM, New Delhi

**(Prof. Subrata Mukhopadhyay)**

Chairperson, CNA Group, IEEE DS
