**Abstract of the
Talk**

An insightful conversation that promises to demystify the often-overlooked aspects of WILLS. This webinar aims to shed light on the significance of having a will, the nuances involved, and the profound impact it can have on the peace of mind for you and your loved ones, while also delving into the crucial role a WILL plays in preventing conflicts within families. Understanding the ins and outs of estate planning is crucial for everyone, irrespective of age or professional background. A well-crafted will ensures that your wishes are respected and your loved ones are provided for, making it a cornerstone of responsible financial and personal management. Importantly, it serves as a powerful tool in preventing conflicts within families, promoting harmony and unity during challenging times. The webinar will discuss its all-round perspective including the real-time issues and challenges.

All are welcome:

Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**
