Abstract of the Talk

COVID-19, like every other pandemic, has imposed an unprecedented threat to physical and mental health of the people, across all the age groups. The webinar is aimed to discuss the required knowledge, attitude and behavior of the people regarding this pandemic and how it influences their depression, anxiety and stress level. Issues like Prophylactic measures and Treatment of mental health problems will be discussed. It will also address the mechanism to successfully deal with the COVID-19 pandemic by enhancing immunity and mitigating the risk.

All are welcome:

Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**
