Abstract of the Talk	A connected world via Social networks is now old and new generations are getting pulled into lots of new interactions. Extended Reality is on the rise and alongwith Gaming, it's poised to take over our social world. Metaverse is going to change how we engage within our social groups. In this session, we will look at what Metaverse is and how its going to impact all our lives. This webinar is aimed to discuss its all round perspective.

All are welcome:

Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**
