Link and Fee**

Registration Link: <http://bvicam.ac.in/webinars/>

No registration fee. It is absolutely free for the members of IEEE, CSI, IETE, ISTE, ISCA, IITP and Bharati Vidyapeeth, with pre-registration

**Abstract of the
Talk**

The National Education Policy (NEP) 2020 is a milestone document in the context of nation-building, which is expected to overhaul the entire academic system in the country from pre-primary to tertiary level. The policy has introduced new subjects yet reduced the load of the curriculum on the students. The evaluation and assessment have also been transformed, which will certainly eliminate examination fobia from the students. NEP-2020 is primarily based on multidisciplinaryity of education through which every child will be allowed to do what he loves to do as an important step towards nation building. NEP-2020 is a forward looking proactive policy having all round inbuilt flexibility for all the stake holders specially like getting degree at fast track, modular entry and exit, having subjects of their choice, students mobility from one Institution to other, in between the programme, by having Academic Bank of Credits (ABC), getting fast track promotion, centralized research funding, graded autonomy to the Colleges, etc. The webinar is aimed to discuss all these issues, in details.

All are welcome:

Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**
