Abstract of the Talk	Research Methodology is the specific procedures or techniques used to identify, select, process, and analyze information about a topic. In a research paper, the methodology section allows the reader to critically evaluate the overall validity and reliability of the undertaken research work. The webinar aims to cover topics like Issue and Challenges in Research Methodology, Research Methods, Research Papers, Research Proposals, etc.

All are welcome:
Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**
