Abstract of the Talk

There is a lot of negativity around us during this extended COVID-19 Pandemic Period and associated risks. World Economic Forum (WEF) in its Global Risks Report 2022, has also highlighted the three important issues; a) Social cohesion erosion, b) Livelihood crises, and c) Mental health deterioration. These issues may become a great challenge for the mankind, especially during the year 2022. The webinar aims to discuss the findings of the report and related risks. The discussions will also facilitate to focus on your own risk management, most management systems recommend for annual review of your risks.

All are welcome:

Please circulate this to all your interested colleagues, associates and friends. Please register in large numbers and derive maximum benefit. **Advance registration is mandatory for participation. Participants will also get Participation Certificate.**
